News and updates

Welcome parents to Brooks,

We have had a great first week getting to know your child and establishing routines. I know it is going to be a great year! I hope you have heard excitement and enthusiasm from your child. You may have also seen signs of exhaustion. It is definitely a more quick paced and structured environment than they are used to at preschool. I hope that students were able to rest up over this long weekend.

This week we will be starting our literacy program Daily 5 and working on students reading stamina. In math students will be working on a counting book. In Writing students will be working on writing their name correctly, and working on their 1st writing piece. Students will learn how to use pictures to express their ideas, adding words will come.

Thanks for all you do!

Mrs. Morris
